## Get a fast start!

Starting mail service is easy with FastStart®! Order your prescriptions online, by phone, by mail or ask your doctor to order it for you.

Once your prescription is on file, ordering refills online is convenient, fast and a great way to manage your long-term medications! Click on the refill link to get the fastest refills or even select automatic refills and renewals of your common, long-term drugs. CVS Caremark will automatically refill eligible drugs or request a new prescription from your doctor when an eligible prescription expires or runs out of refills.

Log on to Caremark.com to:

- Start a new prescription with FastStart®
- Get the fastest refills
- Sign up for automatic refills and renewals
- Check order status
- Set up alerts

## Explore ways to save

At Caremark.com, you can explore the lowest cost options before you order, or see how you can save on your existing prescriptions. Click on “Check Drug Cost” or the Savings Center to compare the price of retail vs. mail service, and brand name vs. generic drugs.

## Know your options

Caremark.com helps you make informed decisions. You can check pricing and coverage on your plan, find a local pharmacy or even check for drug interactions. With your prescription benefits information online, you can find ways to maximize your prescription benefits.

The screenshot shows the CVS Caremark website. At the top, there's a navigation bar with the CVS Caremark logo, a search bar, and links for "Visit the Savings Center", "You have no recent orders", and "You have no new messages". Below the navigation bar is a main banner for "Use the Caremark check drug cost tool for potential savings." with a "Learn more" link. To the right of the banner is a "Take our site tour" link. Below the banner are three columns of content: "Member Quick Links" with links like "Refill a Prescription", "Start a New Prescription", "Check Order Status", "Check Drug Cost", "View Prescription History", "My Prescription Plan", "My Drug List", "Find a Local Pharmacy", and "Set My Alerts"; "Health Information & Tools" with sections for "Cancer Treatments" (Cancer drugs, Supportive therapies), "Coping with Diabetes" (Sources of support, Are you in denial? How to tell), and "Healthy Ways to Lose Weight" (Weight Loss 101, Dangers of yo-yo dieting); and "Information Center" with a sign-up for eNewsletters and a link to "Get a jumpstart on the new year with your Caremark.com checklist!". At the bottom right, there's a "Products & Services" section with a link to "Generics".

## Caremark.com puts the power in your hands

Caremark.com is designed to help you explore ways to save, keep track of your prescription benefits and manage your own alerts. You can even give family members permission to manage prescriptions online, if they are on your benefit plan. We put the power in your hands, so you can maximize your prescription benefits.
